Dear Potential Maine Sire Stakes Program Participants:

The 2012 Stallion Directory contains the stallions that have registered with the Commission office indicating they will stand in the State of Maine during the 2012 breeding season.

The number of stallions has decreased this year; however, the quality of our stallions continues to improve. The proof of this statement can best be seen with the improved quality of the participants in the Sire Stakes Program. This past year we had a very good crop of two year old trotters and pacers with some performance records being set by the participants..

I encourage anyone who wishes to become a part of a very prosperous program to contact the owners/agents of these stallions and breed his/her mare(s) to insure the resulting foal is eligible to the Maine Standardbred Sire Stakes Program.

The purses available to this program have increased from \$350,000, in the early 1990's, to over **\$2,000,000** this past year. The foals resulting from this breeding season will be eligible to take advantage of the continued added monies generated from the operation of slot machines at Hollywood Slots in Bangor and the casino located in Oxford that is scheduled to open in May.. The estimated purses for 2012 should exceed the \$2,000,000 available in 2011 due to both facilities being in operation.

The next few years will prove to be very exciting for anyone who participates in this growing program.

I would also encourage everyone who has a Maine sired horse to become a member of the Maine Standardbred Breeders and Owners Association. This organization will keep you abreast of the latest issues facing our industry, educational seminars, as well as provide you with timely information regarding payments and race schedules.

If you have any questions concerning the directory or the program please do not hesitate to contact my office.

Sincerely,

A handwritten signature in cursive script that reads "Henry W. Jackson".

Dear Standardbred Breeders,

2012 is the 38th year of the Maine Sire Stakes Program! Purses are higher than ever. Below is a chart of our history. This year we have 33 stallions registered. In 2010, 24 Sire Stakes horses made more than \$30,000.00 in the Stakes Program. In 2011, 23 Sire Stakes horses made over \$30,000.00 and 3 made \$85,000.00.

For the next few years, because of the small number of mares bred there will be fewer horses competing for more money. It makes dollars and sense to Breed this year!

Maine Standardbred Breeders & Owners Association

This directory is one of the many services of the MSBOA. This all volunteer organization produces the stallion directory, yearbook, point totals and newsletters. We lobby on your behalf in Augusta, run the detention barn, organize the finals, publicize the program, put on a yearling sale, attend "draws" and sponsor a successful scholarship program.

We need your support! Please join the MSBOA and help us out. The cost is only \$40.00/year.
