Dear Potential Maine Sire Stakes Program Participants:

The 2013 Stallion Directory contains the stallions that have registered with the Commission office indicating they will stand in the State of Maine during the 2013 breeding season.

The number of stallions has decreased this year; however, the quality of our stallions continues to improve. The proof of this statement can best be seen with the improved quality of the participants in the Sire Stakes Program. This past year we had a very good crop of two year old trotters and pacers with some performance records being set by the participants..

I encourage anyone who wishes to become a part of this very lucrative program to contact the owners/agents of these stallions and breed his/her mare(s) to insure the resulting foal is eligible to the Maine Standardbred Sire Stakes Program.

The purses available to this program have increased from \$350,000, in the early 1990's, to over **\$2,000,000** this past year. The foals resulting from this breeding season will be eligible to take advantage of the continued added monies generated from the operation of slot machines at Hollywood Slots in Bangor and the casino located in Oxford that opened this past June. The estimated purses for 2013 should exceed the \$2,300,000.

I would also encourage everyone who has a Maine sired horse to become a member of the Maine Standardbred Breeders and Owners Association. This organization will keep you abreast of the latest issues facing our industry, educational seminars, as well as provide you with timely information regarding payments and race schedules.

If you have any questions concerning the program please do not hesitate to contact my office.

Sincerely,  
  
Henry W. Jackson

## Maine Sire Stakes Breeders

### Welcome to the 2013 Maine Sire Stakes Stallion Directory

With the 2013 breeding season almost here, these are a few facts to think about.

The numbers of registered stallions is down this year, but the quality is still very good. With the numbers of mares bred last year continuing a downward trend, this means fewer horses will race for more purse money. In 2013, we hope that trend will change.

Total purse funds should increase with the addition of Oxford Casino's 1% contribution. In 2012, the Maine Sire Stakes raced for over 2.5 million dollars in purse money. These numbers make 2013 a very good time to breed your mares in the Maine Sire Stakes Program.

We hope you find a good match for your mare in this directory.

Good Luck,

017 HARNESS RACING COMMISSION

Chapter 9: SIRE STAKES

---

**SUMMARY:** This chapter pertains to the establishment of a Breeders Stakes program to encourage and develop a Maine breed of Standardbred horses-pursuant to 8 MRSA §281. If no exception is provided in this chapter, the general body of harness racing rules and regulations shall apply to the Sire Stakes program and Sire Stakes races.

---

**Section 1. General**

1. A committee of advisors will be appointed annually by the Commission to assist the Commission in promoting this program. The advisors will be selected from interested persons engaged in breeding or racing Standardbred horses. At least one member will be from an Association programming at least one stake race. The advisory committee will serve without compensation.
2. Any Association that desires to host events in the Maine Standardbred Breeders Stakes must so inform the Commission at the annual race date assignment hearing proceeding the year of the event.
3. The Commission shall establish a schedule of races and select the sites of the events annually.
4. The name of the events shall be Maine Standardbred Breeders Stake No. 1 for eligible 3 year olds in 1974 and Maine Standardbred Breeders Stake No. 2 for eligible 2 year olds in 1974, then numbered chronologically each succeeding year. Eligibility, estimated values, fees, and conditions shall be announced by publication no later than March 1 of the year of the race. Purses will be announced by the Department no later than June 1 of the year of the race. Application forms will be available at the office of the Department.

**Section 2. Eligibility Criteria**

1. In order for its get to be eligible to the Maine Standardbred Breeders Stakes a stallion must be registered with the Commission for the current breeding season prior to January 1 of the year of the breeding season and must stand at stud the full breeding season in Maine except as provided for in Section 2, sub-section 1, second paragraph. The breeding season is defined as the period beginning February 15, through July 15 of each calendar year except as provided in the second paragraph. The registration fee shall be \$100.00 per stallion per breeding season. Registration fees shall be made payable to the Treasurer, State of Maine and forwarded to the Commission's Office within the Department and such fees will be added to purses.

Any person standing a stallion who fails to register a stallion as required aforesaid may register said stallion upon payment of the registration fee and an additional payment of \$500.00 on or before February 15th of the ensuing breeding season. The stallion shall not have been registered nor stood in any other racing jurisdiction during the current breeding season as defined in Section 2 subsection 1.

A stallion may be brought into the program at any time after February 15<sup>th</sup> to replace a registered stallion which is unable to breed, as evidenced by a veterinarian or laboratory test indicating it is infertile, or dies during the breeding season. In this case a \$100.00 registration fee is required but no late fee is required.

A new stallion may be brought into the program after February 15<sup>th</sup> with the payment of the registration fee and a late fee of \$750.00.

The stallion is to reside in the State of Maine at a designated standing farm throughout the entire breeding season as described in this section, except as provided for a late registration. The stallion may not be moved from the designated standing farm (except in the case of a medical emergency) with the following exceptions:

- A. A stallion duly registered may, upon advance written notification to the Executive Director, move from the designated standing farm provided that the farm to which the stallion is moved is located in the State of Maine.
- B. A stallion duly registered may, upon advance written approval from the Executive Director, be moved to another state for non-emergency medical reasons.

# *Maine Standardbred Breeders & Owners Association*

This directory is one of the many services of the MSBOA. This all volunteer organization produces the stallion directory, yearbook, point totals and newsletters. We lobby on your behalf in Augusta, organize the finals, publicize the program, put on a yearling sale, attend "draws" and sponsor a successful scholarship program.

We need your support! Please join the MSBOA and help us out. The cost is only \$40.00/year.

James T. Kelley  
President MSBOA
